APOIS-TIES 2025, 7 Nov - 9 Nov in Beijing

We are pleased to share with you that the *5th Asia Pacific Society of Imaging in Ophthalmology (APOIS) Meeting* in conjunction with the *1st Tsinghua International Eye Symposium (TIES)* will be held in Beijing, China, from November 7th to November 9th, 2025, under the theme of "*Transforming Eye Care with AI and Imaging*".

APOIS is an academic, scientific and professional society that facilitates collaboration between ophthalmologists and vision scientists in the region, with a focus on development and application of ocular imaging. **TIES** is a new high-level international platform based in Beijing, designed to foster academic collaboration and interdisciplinary innovation in ophthalmology.

This exciting event brings together leading experts, clinicians and researchers in our field from all over the world, to discuss the latest developments, share groundbreaking research, and explore new opportunities for improving ophthalmology and vision science in our region and beyond.

We look forward to your active participation and the valuable insights you will bring to this collaboration. Together, we can make a significant impact and drive forward the interdisciplinary collaboration.
